Dear Mr. Haque-Hausrath,

Please accept our deep appreciation for your participation as a member of the distinguished faculty at the Federal Bar Association Immigration Law Section's 2016 Annual Conference in New Orleans this past May.

We set a new conference attendance record this year in New Orleans, with nearly 400 registered participants. The conference evaluations we received were excellent. An overwhelming majority of seminar registrants felt the panel content was relevant and interesting, resulting in a positive overall conference rating. These results are due to your generosity in sharing your insights and expertise with hundreds of attendees. We are grateful for your personal contributions to the success of this year's FBA ILS Annual Conference.

I hope that your experience in New Orleans was both pleasant and productive, and you will continue your involvement with the FBA and its Immigration Law Section. In addition, if you were unable to complete the conference survey and have any comments or suggestions about the conference, please feel free to share them with me.

Looking towards next year, we are now able to announce that the **2017 FBA Immigration Law Section Annual Conference** will be held in Denver, Colorado, on May 12-13, 2017 at the Embassy Suites Downtown Convention Center. We hope that you, in one capacity or another, will be able to join the Immigration Law Section in Denver for this conference.

Thank you again for your outstanding contributions to the success of the 2016 FBA Immigration Law Section Annual Conference.

My Best,

Eileen Scofield
